

## Nurulhuda Mohammad Isa

**Nurulhuda Mohammad Isa** graduated from the International Islamic University Malaysia, Gombak in 2006 with a Bachelor of Science in Architectural Studies. She pursued her master's degree at UiTM, Shah Alam majoring in Visual Communication and New Media. Her expertise was an asset to Edubox Multimedia Training Centre, Sunway while serving as an instructor in October 2007. In April 2008, she was involved in the 16th World Congress on Information Technology during her attachment with Multimedia Development Corporation Sdn Bhd (MDec) Malaysia. Later, she accepted an offer as a tutor at the Architecture Department, FRSB, UPM in August 2008. In the year 2012, she successfully obtained her Master of Philosophy (MPhil) from the Bartlett School, University College London (UK) in Architectural Space and Computation. Currently, she is pursuing her doctoral degree at the same department, under the SLAB/KPT scholarship award. Her doctoral research interest is 'Space and Crime in Urban Design', specialising in Space Syntax Studies.
