**Wan Mazlan Wan Hamat** holds a Bachelor of Arts in Architecture from Iowa State University, Ames, Iowa (1986) and a Bachelor of Architecture from University of Tennessee, Knoxville, Tennessee (1988) USA. He obtained his Master of Environment from the Universiti Putra Malaysia, Serdang in 2006.

His professional background prior to pursuing a career in teaching includes over fourteen years of experience working at the offices of Perunding Alam Bina (PAB), Malaysian Associate Architect (MAA) and Strategic Design Architects (SDA) in Kuala Lumpur on single and multi-family residential, mixed use and educational facilities. Mazlan was also on the design team at SDA working on the proposal for the Veterinary Faculty for UPM in 2002.

Since 2002, Mazlan is a Lecturer at the Department of Architecture, FRSB, UPM and teaches courses in architectural design, building materials, computer-aided, technical and construction drawings. Since entering academia, he has also been invited to teach at Institut Penilaian Harta (INSPEN), Bangi in their academic programs as well as short courses for staffs. He is a member of Lembaga Arkitek Malaysia (LAM) and Pertubuhan Arkitek Malaysia (PAM).
